

Long Term Plan: Science

Year group	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2	SCIENCE WEEK	Additional Opportunities
EYFS	Seasons Senses	Seasons Sorting Materials	Seasons Animal Habitats	Seasons Human Lifecycles	Seasons Caterpillar Lifecycles Gardening and Growing	Seasons Gardening and Growing		Live caterpillars Visit of a new baby
1	Seasonal changes	Everyday materials		Plants	Animals, including humans			Exploring school grounds
2	Uses of everyday materials		Animals, including humans		Plants	Living things and their habitats		Natural History Museum
3	Light	Rocks	Forces and magnets		Plants	Animals, including humans Health / movement		
4	Sound	States of Matter	The Water Cycle	Electricity	Animals, including humans The digestive system	Classification/grouping of living things		Rushall Farm river habitat study
5	Earth and Space		Forces	Changes of materials	Living things life cycles, the life process of reproduction in some plants and animals including humans			Winchester Science Museum and planetarium
6	Animals, including humans The circulatory System	Light	Electricity		Classification of living things	Evolution and inheritance
